During August 2025 the ASB Enforcement Team have visited 195 locations across the borough and have engaged with 76 businesses, 101 members of the public, 16 groups of young people, identified 3 instances of graffiti and 28 instances of flytipping.

They have spent 646.5 hours in the borough during August (four individual staff members covering five days). We did have some dates when we did not have four members of staff out on location (due to sickness or travel difficulties). However, overall, for the majority of August we were at full capacity.
