9. Proposed Changing Rooms for 3G Pitch

This item was last on the 1 July 2025 agenda, where the proposed plan was agreed subject to the door to the first aid room being amended to a double door, which has now been amended. The Council now needs to consider additional parking. At the meeting on the 4th February 2025 an extension of the 3G car park was agreed in principle but members asked for more detail and the

assurance that the extension will undoubtedly relieve the pressure currently placed on the main car park. The Council also wanted assurance that the 3G car park will be used in the first instance. The proposed plans are to extend the 3G car park towards Waitrose using the waste land to accommodate approx. 10 additional spaces. There are also proposals to make a turning point (of 5m x 5m) round the TPO tree on the recreation ground.

For Discussion & Decision

10. Any Other Correspondence
