The Hollow, Aylesford Play Area Enhancement

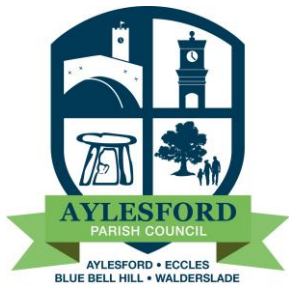

The Parish Council has received £25,000.00 from Wrenbridge for an Easement Agreement which grants them permission to lay their electricity cables in Parish Land. The land in question runs from Little Preston down the strip of land next to the Rugby Club, for them to connect into the electrical mains on Hall Road.

The Council is pleased to announce that 100% of this money will be put into the community by upgrading some of the old play equipment in The Hollow, Aylesford.

This equipment has been there for well over 30 years, so it will be lovely to be able to upgrade it.

The improvement is currently scheduled to be carried out in February 2024.
